Comments -

Even start by the field, MR EPIC rolling forward to take up an early lead ahead of CHONCAPE, race favourite HAPPY ATOM comfortable at the rear of the field and sat last leaving the home straight, TIZA just in front of it. Along the turn MR EPIC still lead comfortably from CHONCAPE, running at a strong tempo. Running along the back straight MR EPIC still led, however CHONCAPE and LE DUPE were pouring on the pressure, CHONCAPE hitting the front with 400 metres to run. Rounding the bend TIZA and race favourite HAPPY ATOM circumnavigated the field and joined the leading CHONCAPE and at the top of the straight TIZA had hit the front, kicking clear of HAPPY ATOM and a fading CHONCAPE. With 200 metres to run it was a two horse race as TIZA still led, HAPPY ATOM driving late but it wasn't enough as TIZA ran on to score a gritty win. HAPPY ATOM ran the fastest splits from the 600 metre point to the winning post and was brave in defeat.
