LATE SPLITS

Comments -

Good despatch where DON'T WAIVER worked to the front in the early stages. MR EPIC and NATIVE BLUE worked forward shortly thereafter with MR EPIC taking the lead and NATIVE BLUE getting the trail in behind. No change in the order through the middle stages, with NATIVE BLUE eventually working forward to join MR EPIC passing the 600 metres. Straightening up, NATIVE BLUE took control, DON'T WAIVER peeled out and gave chase, LOVE VENUS and SASUN both were making ground out wide. However It was NATIVE BLUE who held on to score from a fast finishing DON'T WAIVER and SASUN not far away in third.
