Race Summary
 BALLYNORA was slow into stride and as a result settled at the rear of the field. SEE YOU IN SPRING Led comfortably and ran them ragged. Favourite TRANSLATION sat outside leader and was unable to make an impression on SEE YOU IN SPRING, consequently tiring over the final 100 metres. SILENT THEROY ran home strongly after settling midfield running the fastest last 200 metres of the race. LEGLESS LADY was an eye catcher running on well from the back when running the fastest last 400 metres of the race.
