RACE 6

Race Summary

MILEVA was slow to begin but mustered speed to settle towards the front of the field. Outsider LUNAR HERO eventually crossed to find the front passing the 700 metres. A race with a lot speed which showed as the leaders got tired at top of the straight. BEAU ROSSA ran the fastest last 600 and 400 metres of the race after settling in the second half of the field along with the second placed LITCHFIELD COUNTY. SMOKIN' VAL finished off impressively running the fastest last 200 metres split of the race. MINAAJ sat wide without cover throughout, despite the bad luck finished off well. Worth noting 4 out of the first 5 across the line came from well back in the field.
