Race Summary

SANDSATION began well and led in the early stages with ENCHANTINGLY settling to its outside. Eventual winner ICECRUSHER settled at the rear of the field. AMBIDAZZLE appeared to have a nice run in transit behind the leaders, however was momentarily held up as runners entered the straight when SANDSATION commenced to give ground and as a result finished the race off well to run third. ICECRUSHER got a good split in the field as runners entered the home straight and sprinted quickly to win the race.
