FLOW METER began the best, however LITTLEBITFUNNY was quick to take the lead. Shortly thereafter JACK'S A CRACKER took control of the race with SANTELMO FUEGO working up to settle in second position. They were a few lengths ahead of race favourite STAR STATUS and race outsider LITTLEBITFUNNY. Passing the 600 metres, KORODON began his move from the back, SMART PROMISE was attempting to get onto its back and follow it through. Passing the 300 metres, SANTELMO FUEGO beat off the stablemate JACK'S A CRACKER, however STAR STATUS was on the scene quickly to take over. SMART PROMISE was finishing off well from the back. But STAR STATUS was too good and went on to win well, from SANTELMO FUEGO who was brave running second and a fast finishing SMART PROMISE back in third.
