Comments –

Race favourite SILVER ON RED jumped away well to take up an early lead ahead of EQUICHUNK and CARLALUISA. Through the middle stages of the event SILVER ON RED held a length margin and looked to build at the top of the straight. At the top of the straight SILVER ON RED turned it on, displaying a dazzling turn of foot and rocketing four or five lengths clear of the field. By the 200 metre point it was a case of how far would SILVER ON RED win by, the favourite romping away to an almost five length win. ALL IN WAR closed the event off strongly, running the fastest last 200 metres of the race.
