LE DUPE jumped away well and took up the initial lead ahead of SKY HERO and race favourite THE RED SEA. Around the bend to the back straight LE DUPE led narrowly from SKY HERO and THE RED SEA, the trio opening up a slight advantage on the field. Along the back straight SEMINOLES looked to improve, quickly joining the leaders and taking up front running ahead of LE DUPE, as the field strung out. With 800 metres to run the tempo quickened, SEMINOLES still leading LE DUPE narrowly, with the pair swapping positions with 600 metres to run. Rounding the bend LE DUPE led narrowly, however at the top of the straight SKY HERO took over and quickly kicked clear of the field, holding off all challengers and striding out to an impressive 3.5 length win. SKY HERO also ran the fastest last 200 metres of the event, finding the line well.
