LATE SPLITS

RACE 2

Race Summary

TARASQUE and GOLDRHUM were slow into stride, the pair settling at the rear of the field. EQUA showed good early speed to lead ahead of SUGAR GLIDER. EQUA led the field down the back straight before being reined in around the bend and fading at the top of the straight. At the top of the straight SCENIC HOST emerged and unleashed a barnstorming run down the middle of the straight, running the fastest splits of the race from the 400 metre point to the winning post and running away with the race.
