LATE SPLITS

D MAXINE began well as always and found the front in the early A RICHESSE also began well and settled to its outside early with C who was posted three wide through the early and middles stages. the 300 metres PINDARIC hit the lead but quickly on the scene after through the pack was AIGUILETTE and down the outside late was TOUGH. However it was all to no avail as PINDARIC held on albeit with less than a length covering the first 5 across the line.
