

## LATE SPLITS

CANNOT BE SERIOUS began well with MARINA working forward in the early stages. Race favourite MEOLDY MAN was caught wide towards the rear of the field, slowly working forward through the middle stages of the event. Passing the 300 metres eventual winner JUST FOLK got a split near the inside and burst through with MELODY MAN winding up down the middle and MOTEL storming home as the widest runner. However both runners were too late as JUST FOLK held on to score narrowly. Another cracking finish with the first 8 runners within 2 lengths of the winner.
