Race Summary

Even despatch with JAKAZONE and TWO BEERS taking control in the early stages. ARABIAN DAWN worked forward to make a line of four passing the 800 metres. Passing the 600 metres, eventual winner IKARA appeared to resent the kick back from the track and dropped right out the back of the field. From there, IKARA ran the fastest last 600 metres of the race, storming down the middle of the track in what was the most impressive win of the day. QUANDOQUANDO finished off well to run second with FOX COUNTRY not far away in third.
