Comments –

The field jumped away well and once again there was a good go for the early lead, with half the field vying for the lead. It was a battle that was initially won by OUR TREASYRE TROVE, before ROCKATANSKY took over at the 800 metre point. Rounding the bend race favourite INDIAN MO had joined ROCKATANSKY in front, INDIAN MO holding the rail and looking to kick away at the top of the straight. At the top of the straight WYNTER LADY and JACKPOT JOHNNY joined in out wide and looked to hunt down INDIAN MO. With 100 metres to run the pair were on terms with INDIAN MO, JACKPOT JOHNNY travelling better than WYNTER LADY and running over the top to score a tough win. JACKPOT JOHNNY ran the fastest splits of the race from the 400 metre point to the winning post, validating the win even further.
